

Stainless Steel | 119.0513.245

FAMILY : **Instant boiling water taps** | INSTALLATION TYPE : **Sink/Worktop** | INSTALLATION TYPE : **Sink/Worktop** | FINISH : **Stainless Steel** | SERIE : **Omni Duo** | MODEL : **Omni Duo**

Boiling water at its most convenient

Ultimate convenience | True 100°C boiling water | Easy Installation | Safety assured | Quick sterilizing – perfect for babies' bottles | Hygienic cleaning | Faster cooking and preparation

Save energy

The energy use of a boiling water tank is on average 10p/day which is comparable to a light bulb. The average cost to boil a kettle is 2.5p.

No waiting time for hot water | No waste of water or energy | No energy surge caused by the use of a kettle

The Omni Duo tap delivers 100°C boiling and cold filtered water from one tap, in premium hi-shine solid stainless steel.

Also available is the Nerio standard mixer tap in solid stainless steel which complements the Omni Duo.

IMPORTANT

Please be aware of your water pressure before purchase. If your water pressure is too low, the installation of a pump should be investigated. If your pressure is too high, the inclusion of a pressure reducing valve (not supplied) in the system will be necessary.

TECHNICAL DATA

Version	Swivel Spout
Height Overall	345.00 mm
Height to End of Spout	234.00 mm
Spout reach	230.00 mm
Base	Ø 50
