## Technical diagram:

All InSinkErator® hot water systems are WRAS approved for your reassurance.

# Steaming hot water taps

Instant 98°C water ready when you need it.

Once you have one, you'll wonder how you ever did without it. No kettles, no leads, no clutter, no fuss... just 98°C steaming hot and cold filtered water at the push of a lever. With their contemporary designs, InSinkErator® models don't just bring style to the kitchen; they bring a level of convenience that fits today's busy lifestyles.

They also help you do your bit for the environment. Because you only heat as much water as you need, the taps are energy efficient and economical... saving you money every time they're used.

## Food and drink:

- Make tea, coffee and other hot drinks
- Prepare pasta and rice
- Blanche vegetables
- Create gravies, sauces and soups
- Thaw frozen food and warm ice cream scoops
- Re-hydrate dried food
- Clean fruit and vegetables

## Practical uses:

- Washing up
- Remove lids from jars
- Clean wax from candle holders
- Remove labels from containers for recycling
- Add extra shine to silver
- Fill hot water bottles

## Baby care:

- Warm bottles and food
- Clean without harsh chemicals

All InSinkErator® hot water systems are WRAS approved for your reassurance.
